2. _____
_____ phone: _____ fax: _____
e-mail: _____

3. _____
_____ phone: _____ fax: _____
e-mail: _____

Attach a critical assessment of the nominee's work by the nominator (no more than two pages)
(Note: This should include a critical assessment of the substance of the contributions made, and their current and/or potential impact on science and society. Attach published work, patents, and any other relevant documentary evidence in support of the assessment.)

¹ The candidate must be less than 40 years in age at the end of the calendar year in which the award is made.

² More than one nomination for the same person may be made. The committee has the right not to substitute them for a referee's assessment.

³ To accommodate the new process, an exception will be made in 2002 only.
